If the preceding box is checked, this waste contains benzene which is required to be controlled and treated in accordance with the provisions of 40 CFR 61 Subpart FF.

I hereby certify that, based on information provided to me by the generator and knowledge of my process, the above listed shipment of materials conforms to the limitations described above. I also certify that the materials do not exhibit the characteristics of corrosivity or reactivity (40 CFR 261, Subpart C), are not classified as PCB TSCA waste, and meet the Ash Grove Cement Fuel Specifications.
